Report on Greek Dance Classes

Dear Michael and Castellorizian Committee, We would firstly like to thank the association for all the support and financial assistance over the past year, it has been of great benefit and the children appreciate your generosity. It has enabled our youth to be brought together as a dancing group and be admired by parents and grandparents.

Term 1 will commence on the 8th February, and we will be preparing the children to perform at the Antipodes Festival in March.

Term 1 dates: February 8th, 15th, 22nd
March 1st, 15th, 22nd, 29th
April 5th

Times: Juniors 5.15pm - 6.00pm
Seniors 6.00pm - 6.45pm

Term fees \$24.00 per child

Our teacher has requested future dates for functions that may occur during the year in order to organise her calendar and also to prepare the children for them.

We're sure you would agree that the efforts of the children to represent the Association have done us proud. They are willing and proud ambassadors. We hope for greater opportunities in the future.

Thanking you once again,

Vivienne Mihalos and Kathleen Adgemis

On behalf of the dance group and their parents.

Cassie Disco On Saturday 29 November, Cassie Hall reverberated as forty young Cassies and friends frenetically danced the night away. The Cassie Disco was declared a wonderful success by both the children and parents who attended. Not to be outdone by their children, parents who came to collect their children at the end of the night joined in the revelry. It was delightful to see the keenness of the children to dance the Greek brackets that were played. The professionalism of our DJ Mike, the competitions and the enjoyment shown by the children were appreciated by all. Watch out for our next Cassie Disco! We are sure it will be a blockbuster event!! Make sure you join these new kids on the block. Cassie youth is back!

On Tuesday 2 December the Cassies for the future sub group met for the second time. The discussion and plans for 1998 were very encouraging.

A number of issues were discussed. These included the preservation of Cassie memorabilia and the sharing, at a future function, of some of the interesting photos, documents and crafts that many Cassies now store in their homes.

Also discussed was the forthcoming questionnaire that we hope will be completed by all Cassies and which will provide the Association, its members and other interested people with information about Cassie numbers and the movement of Cassies in Australia.

Further to this we hope this year to begin documenting the lives of some of our older members on video.

We thank the Ithacan Historical Society for

their invitation to their first meeting for 1998. The challenge to us now is how to react out to our younger members and how best we can offer them assistance. With this in mind we will begin a business network information guide. Willing participants will be able to offer services such as career guidance, work experience, tutoring, CV preparation, interviewing techniques. This will be a challenging and work intensive exercise for those of us who are involved in organising this. We would hence like to involve as many people as possible in the planning of these and other events. We thank Florence Livery who attended our meeting and has joined our group. Any members who would like to offer their help in these matters please contact Vivienne Mihalos. (8505294) Thankyou also to Kathy Scopece, Michael Cristofas, Paul Plafadellis and Phillip Georgoulas who have availed themselves to looking into setting up our Web Page. The first meeting of this group will take place in February. We would be grateful for more people to join. Please contact John Adgemis or Viv Mihalos.

Greek Dancing at Cassie Hall We are calling for expressions of interest to begin a second Group with the new venue being Cassie Hall in South Melbourne. If this arrangement suits you please contact Kathleen Adgemis or Vivienne Mihalos.

We plan for the two groups to learn the same dances and have them dance together at future functions.

Cassies at the Antipodes. The junior and senior dance groups performed in traditional Castellorizian costumes at the Greek festival in March at the Antipodes Festival.

The Christmas Kalanta weekend was a tremendous success and will definitely be repeated again this year. The joy that the children brought to the many homes visited was evident. The selection of Greek and English carols was enthusiastically received and the children once again were terrific ambassadors of the club and proved that the Cassie spirit and empathy for the Greek culture is alive and thriving. A very big thankyou to the group: Joanna, Maree and Anastasi Adgemis. Anastasi and Anita Adgemis, Georgia Barbayannis, George Gregoriadis, Tina and Lee Konstantinidis, Angelo and Deana Mihalos and Georgia Platadellis. A

special thankyou to Tina who accompanied the children on the violin and to Phillippa Konstantinidis who prepared the children with the carols.

Finally our gratitude to the parents of the children who made the time, during what is a very hectic part of the year, to drive the children.

Castellorizian Senior Citizen's

1997 was a successful year in terms of social activities, ending with a Christmas lunch enjoyed by 30 members which is our average monthly attendance. We could easily cater for more members so why not come along on the first Wednesday of each month at 10.30 am to re-unite with fellow Castellorizians. The committee is currently considering a variety of activities to include day or perhaps longer trips around Victoria or even interstate. A successful bus trip to Sorrento and neighbouring areas was held on the 4th March. The cost of the bus was sponsored by our Society.

Your Property On Kastellorizo. 20th November 1997

With the advent of a greater appeal to the Australian born Cazzies since the rediscovery of their heritage, many are now investigating their family properties, they are horrified to find that after finally locating the house or land belonging to them, locals are occupying (squatting) there, many for years. Despite having proof of ownership, usually by a Prikosifano, the question of right of possession can end up in the courts of Rodos, usually with a shonky Solicitor acting on your behalf. There is alleged, a controlling element on the Island that have excised vacant land, mostly with derelict old houses, having been sacked and

destroyed through the ravages of two world wars. They have the happy knack of converting any vulnerable properties for their own use.

Houses which have been occupied for 15 years are deemed to automatically belong to the squatters and is sufficient proof to enable transfer. This situation to my knowledge has never been tested in the Greek Courts, although there are instances where sub tenants of the original inhabitants can be challenged and forced to vacate providing that they have been there for a lesser period. A recent case in point was of the house of the Kondousoglou family of Adelaide beneficiaries of Thia Fiuola, passed on to her daughter Alexandra, and then on to Daphne Miriklis of the next generation she in turn sold her interest to a cousin Marcus Michael of Perth, he was then able to negotiate (for a fee) the sub tenants to vacate, and since improvements to the house has been effected the fee paid as per compensation was certainly better and less costly than dragging through the courts of Rodos.

For your information, I have been fortunate to be introduced by Jack Yeronikolas his own business Solicitor a highly respected citizen and ex Mayor of Rodo, George Vrouhos who is reasonably fluent in English, he has been keen to visit Australia, by way of discovery, and with a mission of visiting the Capital Cities where he will give his views of the way to overcome the obstacles whether there has been wrongful habitation, or unravelling family squabbles as to inheritance. In closing I speak as the voice of experience, having been through the mill from proof of ownership, building and sorting out the families expectations

Melbourne Cup Story

And the winner of the 1997 Melbourne Cup is Might and Power.

Such was the call on Tuesday afternoon in November last year. This win followed the victorious event of the Caulfield Cup 10 days earlier, however the success story does not begin or end there.

Sixty three years ago a Castellorizian couple Anastasis and Maria Moraitis became the proud parents of their first son Nicolaos (Nick). Nicks father was my first cousin on my paternal side. His first business venture involved selling potatoes to fish and chip shops. The humble potato proved to be Nicks lucky charm. With hard work and effort, today he is the largest supplier of fresh vegetables to corporations such as Coles, Myers, Safeway, Franklins, Woolworths and Hungry Jacks.

Nick is the owner of four large companies, situated in Brisbane, Sydney and Melbourne, and employs 500 people. He has been involved in horse racing for many years. Nick Moraitis is a widower with two sons and one daughter and ten grandchildren. He currently lives in Sydney.
