Newsletter No. 72 November, 1990

Castellorizian Newsletter No 72 is the final Newsletter for 1990. We give details of our very successful A.G.M. and we welcome the new Board and wish them luck in their stay in office. Details of our Cassie Family Xmas Day.

On behalf of the Board of Management we would like to wish all members, families and friends a Happy Healthy and safe Xmas and New Year.

Firstly, let me thank members for one of the most productive and interesting meetings held by our Society for some years:

The attendance was excellent and the contributions to the decisions made by members was greatly appreciated. Ten members of the previous Board stood for re-election plus 2 new members who were co-opted to the Board: new members are Christine Dimer and George Menassa - we welcome them to the Board. We thank departing members Maria Katris, Christine Mastoris and George Verginis. They have worked hard and we will miss them from our Board.

At the A.G.M. a Sub Committee was appointed to bring our articles of Association or Constitution up to date, they are convener John B. Salvaris, George Dimer and representing the Board Christine Pavlou. We thank them for their interest.

The feasibility study was presented to members and a lively discussion took place, members contributions were of great value and a motion was passed allowing the Board to proceed with option 1B, we thank Michael Spartels and Theo Conos for their presentation of the study to members. During the discussion a letter was tabled by Andrew Caripis with his thoughts and suggestions as to what the future direction of our Society should be and this will be discussed at our first Board Meeting.

"Motion presented and passed at A.G.M. held at our Club Rooms November 1990:

Option 1B That our Club Rooms be renovated and refurbished to bring them up to an A grade standard approx cost \$50,000.00"

Members should be aware that the full amount of money to be spent is presently held in our bank account.
